

KANGAROO FLAT LIFESTYLE ESTATE

by LINCOLN PLACE

The GREENFIELDS

2  1.5  1 

The Greenfields home design presents a warm and inviting open-plan layout that prioritises both comfort and space. As you step onto the front porch, you'll be welcomed into a generously sized lounge area that seamlessly flows into a stylish kitchen and dedicated dining space. This low-maintenance home also boasts two bedrooms, a modern bathroom, a separate laundry, and a powder room. Additionally, there is a carport for one vehicle with direct access to the house.
