# Community Update

## *Welcome to Kate Marquet*

Our new Assistant Community Manager Kate is settling in well, please join us in making her feel welcome. Kate's phone number is 0473 073 723.

## *New Branding - Hunter Valley Lifestyle Estate*

You may have noticed our new sign at the front gate, new community name and logo, a fresh look for our growing Community. 'Feel at home' is the message we are wishing to convey and our mission is to deliver thoughtfully designed land lease living communities which improve the standard of life for our residents. Hunter Valley Village is now known as Hunter Valley Lifestyle Estate.

## *Street Lighting*

We have ordered extra street lighting for several areas of the Community which have street lights that are not able to be repaired. Expected delivery and installation is October/November.

## *Main Water Repairs*

Thank you for your patience with the numerous mains water shutdowns over recent months. The works were extensive and repairs will help future proof the Estate. We are close to finalising make-goods to homes directly impacted.

## *Waste*

The new bin bay outside the office has been received well. We are in the process of removing the large bin located outside of the Estate and replacing it with a smaller green waste bin inside the bin enclosure, as unfortunately the general public has been disposing of their waste in the large bin. The green bin will be cleared regularly. A reminder to please ensure you wrap all your general waste garbage in plastic bags as this helps to keep the bins clean and make cleaning manageable and possible.

## *Sewer Pump Station*

Repair works and cleaning maintenance were conducted last month in the Sewer Pump Station. We have also installed a warning light to alert any issues with the system. Please remember not to flush wipes of any kind down your toilets as the pumps were jammed with wipes which caused the system to malfunction. Products such as paper towel, tissues and wet wipes do not break down properly and can contribute to large blockages in our sewer wastewater system and also in your home. Hunter Water advise to only ever flush the Three P's – pee, poo and (toilet) paper. NO WIPES of any kind please!

## *Pet Forms*

If you haven't already done so please provide us with your Pet Forms and documents.

# Community Update continued...

## *Doggie Waste*

Please remember to have your doggie waste bags with you when walking. We have increasing complaints about dog waste not being picked up by dog walkers/owners.

## *Community Expansion (Carrs Road Vacant Land)*

Civil works are expected to commence towards the end of September/early October this year. Part of the expansion works will involve a new turning lane on the main road to enable easier exit when turning right from Carrs Road onto Cessnock Road. We will share more information on the expansion as works progress. Site 7 will become Site 7 and Site 8, a new home is expected to be onsite in one of these locations towards the end of the year.

# Community Garden

The Community Garden is thriving thanks to our green thumb residents.

Combine onion, garlic, mince, egg, breadcrumbs and half the parsley in a bowl. Season. Roll into balls. Cover. Chill for 30 minutes.

## What we are reading

In an unexpected memoir written in a creative burst of 2022, actor and now author Sam Neill traces his journey from Northern Ireland to becoming a celebrated global actor, sharing anecdotes of collaborations with Meryl Streep, Sean Connery, and more.

Born in 1947, he discovered his passion for acting while in a Christchurch boarding school. His breakthrough in "Sleeping Dogs" led to roles in Gillian Armstrong's "My Brilliant Career," launching his diverse career spanning blockbusters like Jurassic Park to art house gems like "The Piano." "Did I Ever Tell You This?" blends humour, warmth, and insight, depicting his life outside film, including founding Two Paddocks vineyard.

A perceptive and wise memoir, it captures Neill's journey, making it a heartwarming, recommended read.
